**PHIL HARDBERGER**  
MAYOR

Greetings

In October 2005, we launched the first Houston Street Fair & Market. Our vision was to offer a free event that would give both local residents and visitors a compelling reason to come downtown every month. I am proud to say that we have exceeded expectations and that each month the Houston Street Fair & Market is getting bigger and better – from the array of vendors selling unique wares and home-grown produce, to the successful pet adoption program, to the family entertainment and delicious food. The event has truly become a signature event for downtown where families and friends can gather and have fun. I want to personally thank everyone who has helped make this monthly event a great success. If you haven't yet made it to Houston Street Fair & Market, I invite you to come by and check it out.

Remember the Houston Street Fair & Market...the last Saturday of every month. This website will provide you the most up-to-date information on new activities and featured entertainment.

See you on Houston Street.

Sincerely,

A handwritten signature in blue ink, reading "Phil Hardberger".
